September 16, 2024

Dear West Area musicians, ministers, and churches,

Join us for the **26th West Area All Disciples Sing & Annual Meeting at 4PM Central on Sunday, November 17, at First Christian Church in Owensboro.** This event is a wonderful opportunity to come together as a community of faith to lift our voices in thanksgiving for all that God has done among us.

The West Area All Disciples Sing & Annual Meeting is more than just a musical gathering; it is a chance for West Area churches to connect, share, and strengthen our bonds. As is our tradition, our worship will include a time of offering for Camp Kum-Ba-Ya. We hope that the All Disciples Sing will feature a diverse lineup of choirs and musicians from across our congregations, each bringing their unique style, talents, and spirit to the celebration.

Based on **Psalm 95:1-7a**, this year's **theme is "Come with Thanksgiving."** Whether your church has a full choir, an ensemble, or a soloist, please consider preparing a musical selection to present as we create a worship of thankful praise. (And let us know so we can include them in the order of worship.) **To confirm your church's participation, inform us of your presentation's musical selection(s), and send us an estimated number of guests for the reception, complete the Google form available on our website by October 27.**

Rev. Chris Michael, Choir Director Mike Tichenor, and I encourage you to spread the word within your congregation and invite all to attend. We look forward to experiencing the joy of all of our voices lifting the sanctuary with songs of celebration and thanksgiving. First Christian Owensboro will host a **cookie reception** following worship.

I'm thankful for you and your ministries!

Rev. Rachel Nance Woehler  
West Area Regional Minister
